

Verse 1:

**You can have a better life,  
Live the dream, it's your time to strive,  
A new purpose, a new quest,  
Why hesitate? Why take a rest?**

Chorus:

**You can have the freedom,  
Let your chains fall down,  
Freedom, freedom, freedom,  
Nothing will stop you now, you'll wear the crown!**

---

Verse 2:

**The future calls, it's waiting for you,  
Dreams are near, burning bright and true,  
Cross that door, leave the past behind,  
The world's yours now, just make up your mind!**

Chorus:

**You can have the freedom,  
Let your chains fall down,  
Freedom, freedom, freedom,  
Nothing will stop you now, you'll wear the crown!**

---

Bridge:

**Don't let fear take the lead,  
Follow your heart, let it succeed,  
The road is long, but you can rise,  
Your freedom's yours, just realize.**
