

# THE SCHOOL OF MY WILDEST DREAMS

**My wildest dream school is Madeleine Albright College  
My dream school is located in New-York, USA**

In my school, there are 16 classes in 4 different sections. There are 170 girls and 150 boys. The school has 320 pupils.

I would like to take health classes at school as well as public speaking classes to learn how to express myself well in public.
